

VOLUNTEER OPPORTUNITY:

Living Collections Volunteer – Horticulture Support

Why do we need you?

Living Collections - Horticulture Support Volunteers ensure our bird exhibits are looking their best for our living collections as well as our resident flora and fauna. There's plenty of ways to get stuck in and help maintain the bird exhibits around Slimbridge Wetland Centre. If you are motivated to maintain a lawn or weed some gravel for a naughty Nene, then this one's for you!

At WWT we believe that the best way for people to understand and connect to wetlands is to experience them, so we bring awe-inspiring nature up close and let it do the talking. At Slimbridge Wetland Centre visitors can explore unique wetland habitats and the amazing array of birds, mammals and amphibians that inhabit them. Our volunteers help to welcome and inspire visitors, and look after our unique habitats and heritage.

Who will be responsible for your role? Deputy Living Collections Manager - Aviculture
